Booz Allen Hamilton's Environmental Services General Services Administration (GSA) Federal Supply Schedule (FSS) offers government agencies a streamlined way to procure a wide range of effective solutions to meet increasingly complex environmental requirements. Our Environmental Services Schedule gives quick and easy access to Booz Allen's expert advice and solutions to help with your environmental needs.

The Environmental Services GSA FSS Advantage

This contract vehicle has many attractive features:

- Structured as an indefinite delivery/indefinite quantity (ID/IQ) multiple award schedule (MAS); contract valid through **26 April 2014** with two 5-year option periods
- Can be used worldwide by all federal agencies, mixed ownership government corporations, and the District of Columbia
- Employs pre-negotiated fair and reasonable pricing
- Reduces typical procurement lead times and administrative costs
- Identifies a Maximum Order (quantity), after which an agency may seek further discounts on pricing
- Stipulates no dollar value limit on task orders
- Offers three contract options: Firm Fixed Price, Time & Materials, or Labor Hour
- Allows creation of Blanket Purchase Agreements (BPA) for recurring needs
- Offers unique Contractor Teaming Arrangement options for complete solutions
- Orders placed under GSA Schedules meet the Competition in Contracting Act (CICA)

Booz Allen's Environmental Services Service Offerings

Booz Allen understands the unique challenges of environmental requirements and offers the technical expertise that government agencies require to effectively execute environmental programs. Our experts provide the following services under the Environmental Services Schedule, Special Item Numbers (SIN) 899-1, 899-3, and 899-7:

Environmental Consulting Services

(SIN 899-1). The services include, but are not limited to: Planning and Documentation Services for environmental initiatives (or mandates) in chemical, radiological, and/or hazardous materials; ISO 14001 Environmental Management System (EMS) and sustainable performance measure development; Environmental Assessment and Environmental Impact Statement preparation under the National Environmental Policy Act (NEPA); endangered species, wetland, watershed, and other natural resource management plans; archeological and cultural resource management plans; environmental program and project management; environmental regulation development; economic, technical, and risk analysis; other environmentally related studies and consultations; homeland security solutions that include biochemical protection; crime prevention through environmental design surveys; economical, technical, and risk analysis; identification and mitigation of threats, including protective measures; and vulnerability assessments. Compliance services such as review, audit, and implementation/management of EMS and other compliance and contingency plans/performance measures; permitting; spill prevention/control and countermeasure plans; pollution prevention

Environmental Services

surveys; and Community Right to-Know Act reporting. Advisory Services for ongoing advice and assistance with data and information in support of agency environmental programs involving areas such as hazardous material spills; material safety data sheets (MSDS), biological/medical data sheets; information hotlines; poison control hotlines; environmental regulations and policy/procedure updates; management, furnishing, or inventory of MSDSs. Waste management consulting to provide guidance on waste-related data collection, feasibility studies, and risk analyses; Resource Conservation and Recovery Act/ Comprehensive Environmental Response Compensation and Liability Act (RCRA/ CERCLA) site investigations; hazardous and/or non-hazardous exposure assessments; waste characterization and source reduction studies; review and recommendation of waste tracking or handling systems; waste management plans and surveys; waste minimization/pollution prevention initiatives; and review of technologies and processes affecting waste management.

Environmental Training Services (SIN 899-3). This SIN is designed to aid agencies in training personnel environmentally related subjects to meet federal mandates and Executive Orders. Environmentally related training can be conducted on- or off-site using standard off-the-shelf, customized, or computer/web-based interactive courses. Examples of topics include: Air/blood borne pathogens; asbestos awareness; environmental management planning and operations and maintenance planning; Asbestos Hazard Emergency Response Act; compliance with environmental laws/regulations; CERCLA; confined space training; electronics management;

emergency response plans; environmental audits, awareness, compliance, and management; fire preparedness training; first responder; hazardous materials and waste; hazardous waste operations and emergency response; ISO 14001 EMS; lead training, including awareness, inspecting, assessing, rehabilitation, and renovation; mold (abatement, assessment); NEPA; natural habitat preservation; Occupational Safety and Health Administration; pollution prevention; public fire safety education; RCRA; sustainable environmental practices; water conservation; and wetlands regulation and permitting.

Geographic Information Systems (GIS) (SIN 899-7). This SIN provides GIS services in support of environmental programs. Services include, but are not limited to: Creation/enforcement of environmental legislation; cultural resource GIS; environmental cost assessment; environmental impact analyses; environmental regulatory compliance; groundwater monitoring; growth forecast modeling; habitat conservation plans; habitat modeling; image analysis support for emergency response; mapping, cartography, and mashups (e.g., combining data from more than one source into a single integrated tool); migration pattern analysis; natural resource planning; remote sensing for environmental studies; terrestrial, marine, and/or atmospheric measuring/management; vegetation mapping; and watershed characterization for mitigation planning.
