General Services Administration Federal Supply Schedule GS-10F-0090J

Booz Allen Hamilton's Environmental Services General Services Administration (GSA) Federal Supply Schedule (FSS) offers government agencies a streamlined way to procure a wide range of effective solutions to meet increasingly complex environmental requirements. Our Environmental Services Schedule gives quick and easy access to Booz Allen's expert advice and solutions to help with your environmental needs.

The Environmental Services GSA FSS Advantage

This contract vehicle has many attractive features:

- Structured as an indefinite delivery/indefinite quantity (ID/IQ) multiple award schedule (MAS). Valid through **26 April 2009** with two 5-year option periods
- Can be used worldwide by all federal agencies, mixed ownership government corporations, and the District of Columbia
- Employs pre-negotiated fair and reasonable pricing
- Reduces typical procurement lead times and administrative costs
- Identifies a Maximum Order (quantity), after which an agency may seek further discounts on pricing
- Stipulates no dollar value limit on task orders
- Offers alternative contract options: Firm Fixed Price, Time & Materials, or Labor Hour
- Allows creation of Blanket Purchase Agreements (BPA) for recurring needs
- Offers unique Contractor Teaming Arrangement options for complete solutions
- Orders placed under GSA Schedules meet the Competition in Contracting Act (CICA).
