## ENCORE II

**Contract Number:** HC1028-08-D-2015  
**Period of Performance:** June 1, 2008–May 31, 2013  
 (with Five 1-Year Option Periods)

Booz Allen Hamilton's ENCORE II contract vehicle provides the Defense Information Systems Agency (DISA), the Department of Defense (DoD), and all other federal agencies with a convenient way to purchase the full range of information technology (IT) solutions—from IT engineering and integration to hardware and software procurements and IT operational support services. Booz Allen, a dedicated partner committed to your mission, has invested in the capabilities, processes, tools, and relationships essential to accomplish your agency's transformational goals. Our team includes large and small businesses with unmatched capabilities in all areas of IT support. Our large-business teaming partners include Microsoft, Intel, Verizon, Global Crossing, and Nortel, which are designing and developing the next generation of IT applications and architectures critical to transformational initiatives. Our small business partners have a proven record of client delivery, existing business relationships with Booz Allen, and a strong entrepreneurial drive to bring innovative IT solutions to our federal clients.

### Benefit and Features of ENCORE II

- Available to DISA, DoD, and all other federal agencies
- Security up to Top Secret SCI
- High ceiling value: \$12.225 billion IDIQ Task Order Vehicle (allows for Time & Materials, Labor Hour, Firm Fixed Price, and Cost Reimbursable tasks)
- Streamlined ordering process:
  - Less than 60-day turnaround for Time & Materials, Labor Hour, and Firm Fixed Price tasks
  - Decentralized ordering allowing agencies to work directly with contractors
  - Centralized ordering for DISA customers using DITCO-Scott, DITCO-NCR, DITCO-Pacific, and DITCO-Europe
- Task Order Flexibility:
  - Task orders may be multi-year, incrementally funded by sponsor
  - Task orders may include subcontractors and vendors
  - Task orders may also include hardware, software, and maintenance incidental to the implementation of a solution

**Booz | Allen | Hamilton**  
 delivering results that endure

- Sole Source: Appropriate Justification and Approval (J&A) to procure using other than Full and Open Competition must accompany the requirements package when one or more of the four Fair Opportunity Exceptions apply—urgency, only one capable contractor, logical follow-on to a task order already issued under the contract, or satisfying a contract-level minimum guarantee.
