## FBI Information Technology Supplies and Support Services (FBI IT Triple S)

### Contract Number: FBI Triple S 11-18

As the Federal Bureau of Investigation's (FBI) mission and challenges grow more complex, advancing the Bureau's technical capabilities has become increasingly critical. To procure assistance suited for the Bureau's needs, the FBI Information Technology Supplies and Support Services (FBI IT Triple S) Blanket Ordering Agreement contract was established to manage a large number of programs varying in size, complexity, and scope to support the FBI's mission.

### Booz Allen Can Help You Be Ready for What's Next

Booz Allen Hamilton, a leading strategy and technology consulting firm, offers the FBI a streamlined way to procure a wide range of effective solutions under the IT Triple S contract to meet complex organizational challenges. Booz Allen has a long, results-driven track record of working with the FBI. We understand the missions of the FBI and offer a full range of world-class professional IT support services and solutions. Under this contract, we provide quick and easy access to Booz Allen's experts who have extensive experience analyzing costs, schedules, and program effectiveness. Booz Allen is the contractor that can use the IT Triple S contract vehicle to partner with the FBI to accomplish difficult tasks and achieve mission goals.

### Our Extensive Expertise

As an approved FBI IT Triple S contractor, Booz Allen uses our vast network of technical, strategic, and subject matter experts (SMEs) to ensure the FBI's success in intricate, sensitive endeavors. To support the Bureau's current, expanding, and new missions, Booz Allen is able to provide the following expertise under the FBI IT Triple S contract:

- Cleared, skilled staff with deep knowledge and understanding of the Bureau's mission and culture
- Experienced staff and managers who can perform multiple roles in a changing and resource-constrained environment
