Veterans Health Administration (VHA) Professional, Technical, and Strategic Services (PTSS)

Contract No.: VA 701-11-BP-0038

To advance its customers' mission requirements across the Department of Veterans Affairs (VA), the VHA seeks—through the PTSS Blanket Purchase Agreement (BPA)—to provide services in the context of Health Information Management and Information Technology (IM/IT), as well as liaison between VHA clinical and business owners and the VA Office of Information Technology (OIT).

Booz Allen Can Help You Be Ready for What's Next

Booz Allen Hamilton, a leading strategy and technology consulting firm, understands that the ever-changing Health IM/IT environment presents new challenges requiring the ability to rapidly bring expertise to bear on emergent issues. Perhaps most significant is our understanding of the mission and culture of the VHA. We have performed a broad spectrum of work at the VA for more than 20 years, delivering strategic and technical expertise and implementing quality health solutions and guidance through lean processes that support our nation's veterans. We have a deep understanding of the US healthcare delivery system, including the IT solutions and infrastructure needed to support clinical, business, and administrative systems.

The Booz Allen team offers the management, technical, and functional knowledge and expertise needed to fully support the VHA in its quest to meet veterans' health needs in the 21st century. Our methodologies and approaches will drive toward optimal long-term solutions while also meeting VHA strategic goals: improving the quality and accessibility of healthcare and increasing veterans' satisfaction with benefits and services.

The Booz Allen PTSS Team

The Booz Allen team comprises Booz Allen and six partners. We selected each partner for its Health IM/IT capabilities, positioning us to provide VHA with value-added resources to advance mission responsibilities and bring quality solutions in support of clients' most vexing challenges. The capabilities available through this PTSS BPA allow customers to quickly
