**INDIVIDUAL SUBCONTRACTING PLAN IS HEREBY INCORPORATED.**

**TASK ORDER MANAGER (TOM)**

a) The Task Order Manager for this task order is:

Name: Joe McClure, CAC1  
Address: 4280 South Patterson Road, Building 303 Suite 110  
Indian Head, MD 20640  
[joe.mcclure@navy.mil](mailto:joe.mcclure@navy.mil)  
301-744-4688

(b) The Alternate TOM for this contract is:

Name: Dawn Tolson  
Address: 4280 South Patterson Road, Building 303 Suite 110  
Indian Head, MD 20640  
[dawn.tolson@navy.mil](mailto:dawn.tolson@navy.mil)  
301-744-4688 x292

(c) The TOM will act as the Contracting Officer's representative for technical matters, providing technical direction and discussion, as necessary, with respect to the specification or statement of work, and monitoring the progress and quality of contractor performance. The TOM is not an Administrative Contracting Officer and does not have authority to direct the accomplishment of effort which is beyond the scope of the statement of work in the task order.

(d) When, in the opinion of the contractor, the TOM requests effort outside the existing scope of the task order, the contractor shall promptly notify the contracting officer (or ordering officer) in writing. No action shall be taken by the contractor under such direction until the contracting officer has issued a modification to the task order, until the ordering officer has issued a modification to the task order; or until the issue has been otherwise resolved.

(e) In the event that the TOM named above is absent due to leave, illness or official business, all responsibility and functions assigned to the TOM will be the responsibility of the alternate TOM.

**IHD X - INVOICE INSTRUCTIONS (NSWC IHD) (DEC 2006)**

(a) In accordance with the clause of this contract entitled "ELECTRONIC SUBMISSION OF PAYMENT REQUESTS" (DFARS 252.232-7003), the Indian Head Division, Naval Surface Warfare Center will utilize the DoD Wide Area Workflow Receipt and Acceptance (WAWF) system to accept supplies/services delivered under this contract. This web-based system located at <https://wawf.eb.mil> provides the technology for government contractors and authorized Department of Defense (DoD) personnel to generate, capture, and process receipt and payment-related documentation in a paperless environment. Submission of hard copy DD250/invoices may no longer be accepted for payment.

(b) It is recommended that the person in your company designated as the Central Contractor Registration (CCR) Electronic Business (EB) Point of Contact and anyone responsible for the submission of invoices, use the online training system for WAWF at <http://wawftraining.com>. The Vendor, Group Administrator (GAM), and sections marked with an asterisk in the training system should be reviewed. Vendor Quick Reference Guides are also available at <http://acquisition.navy.mil/navyaos/content/view/full/3521/>. The most useful guides are “Getting Started for Vendors” and “WAWF Vendor Guide”.

(c) The designated CCR EB point of contact is responsible for activating the company's CAGE code on WAWF by calling 1-866-618-5988. Once the company is activated, the CCR EB point of contact will self-register under the company's CAGE code on WAWF and follow the instructions for a group administrator. After the company is set-up on WAWF, any additional persons responsible for submitting invoices must self-register under the company's CAGE code at <https://wawf.cb.mil>.

(d) The following information regarding invoice routing is provided for completion of the invoice in WAWF:

WAWF Invoice Type	Cost Reimbursable
Issuing Office DODAAC	N00174
Admin DODAAC	S2404A
Inspector DODAAC (if applicable)	N/A
Acceptor DODAAC	N00174
LPO DODAAC (if applicable)	N/A
Pay DODAAC:	HQ0338
DCAA Auditor DODAAC (if applicable)	HAA47F

Attachments created in any Microsoft Office product may be attached to the WAWF invoice, e.g., backup documentation, timesheets, etc. Maximum limit for size of each file is 2 megabytes. Maximum limit for size of files per invoice is 5 megabytes.

(e) Before closing out of an invoice session in WAWF, but after submitting your document(s), you will be prompted to send additional email notifications. Click on “Send More Email Notifications” and add the email addresses noted below. These additional notifications to the government are necessary to make the acceptor aware that the invoice documents have been submitted into the WAWF system. Without these additional notifications, the government may be unable to process your submissions in a timely manner, which will delay payment.

<b>Send Additional Email Notifications to the Following Addresses:</b>

(f) The contractor shall submit invoices for payment per contract terms and the government shall process invoices for payment per contract terms.

## SECTION C DESCRIPTIONS AND SPECIFICATIONS

### PERFORMANCE-BASED

### STATEMENT OF WORK

### FOR

### ENVIRONMENTAL AND INSTALLATION

### ANALYSIS AND PROGRAM SUPPORT

#### GENERAL

##### 1.1 Introduction

The Indian Head Division/Naval Surface Warfare Center (IHD/NSWC) has been tasked with providing analytical and programmatic services to support installation and environmental requirements for the Navy, the Department of Defense (DoD) and other agencies. This support will provide assistance with meeting compliance requirements of Federal law, Executive Orders, and Departmental Directives.

##### 1.2 Background (For Information Purposes Only)

The Navy, Defense Services and Agencies and other Federal Facilities are responsible for complying with laws, regulations, and Executive Orders regarding the physical and natural infrastructure of installations under their control. This includes all facilities and activities conducted within the fenceline, many of which are required to maintain environmental permits, licenses, and agreements in order to operate and conduct their missions. Specifically, support is required to implement results of statutorily required decisions such as: Base Realignment and Closure (BRAC), National Environmental Policy Act (NEPA), and federal and state environmental compliance and clean up laws.

##### 1.3 Scope

This Statement of Work addresses support required to provide engineering, analytical and programmatic support on a wide array of policy, planning, organizational and operational issues in support of Navy, Department of Defense (DoD) and other Federal activities. The objective of these analyses is to provide the Government with the information necessary to articulate efficient and effective process, organizational structure, and program guidance to respond to the dynamic environment and installation issues that result from major mission changes, BRAC, or new legislation. The goal of this tasking is to assist the Government in assessing operational efficiencies and effectiveness of installation and environmental programs and to identify actions to better align business and management practices with current requirements, as well as ensuring National Security objectives, public safety and security concerns are met across the planning cycle.

The contractor shall provide actionable recommendations and methodologies supported by analysis that lead to improvement in overall installation and environmental program implementation. Specific objectives are:

Provide integrated, comprehensive, structured environmental, safety, and health planning and compliance support for Navy and DoD programs such as weapons system acquisition, operational and training activities, and facilities projects.

CONTRACT NO. N00178-04-D-4024	DELIVERY ORDER NO. FG02	AMENDMENT/MODIFICATION NO. 26	PAGE 33 of 75	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

Provide operational services, recommendations; strategies in support of Federal agencies implementation planning activities associated with the BRAC 2005 decisions. This may include stakeholder communications, process facilitation, integration management of multiple processes, training and education, and document/records management.

The contractor shall advise and assist the Government, but shall not make final decisions or certifications on behalf of the Government nor perform any inherently Governmental functions. The contractor and its employees shall not represent the Government nor appear to represent the Government in performance of these contract services. At all times, contractor personnel will wear appropriate identification identifying themselves as contractor personnel. At all meetings, conferences, or sessions with the Government personnel, contractor personnel shall clearly identify their status as contractor employees. All reports delivered under this contract are property of the U.S. Government.

## **2.0 REQUIREMENTS**

### **2.1 Engineering and Analytical Support**

2.1.1 The contractor shall use an integrated, comprehensive, structured and disciplined approach to environmental safety and health (ESH) planning and compliance for Navy, DoD, and other Federal agencies for programs such as BRAC, mission planning, acquisition programs, operational and training activities, and facilities projects. The contractor shall provide analytical support to assist the Government with environmental decision making and policy analysis, legislative and regulatory tracking, compliance monitoring, performance measurement and process improvement. Analyses shall include liability and risk, resource allocation, quality and knowledge management, process integration support and life cycle cost.

The contractor shall review new and revised legislation and regulations for impact to the Government. The contractor shall recommend changes, revisions, and updates to current policy, technical materials, briefings, training initiatives and course materials in light of new regulations. This task will cover all areas of operational compliance including air, water, environmental planning, range sustainment, and BRAC general support. The contractor shall provide draft and final analyses for use in briefings, symposia, publications, web sites or other media deemed appropriate.

#### **2.1.2 Modeling and Simulation Support**

The contractor shall provide through modeling and simulation a diverse quantity of analytical tools and environments for demonstrating, validating, and analyzing the interoperability of multi-force multi-region warfare. This will provide a high fidelity, real environment generation, impact prediction and simulation capability for operational, installation, and environmental decision makers. The contractor shall conduct advanced alternatives assessment, program lifecycle planning and prediction, and monitoring of process development and implementation.

The contractor shall conduct mission-planning activities, which will enable decision makers to conduct environmental security requirement's definition and impact prediction for the war fighter. Advanced modeling techniques shall be used to provide the missing links and seamless interface to bring together the multiple data to ensure the best planned operational scenario for the safest and optimal result. This data resource shall support operational planning and scenario generation, disaster preparedness and emergency management, and range interoperability mission execution decisions.

The contractor shall perform modeling analysis efforts, which may include integration and applications interfaces, data integration and analysis. The contractor may be required to use existing Commercial Off-The-Shelf (COTS) and Government Off-The-Shelf (GOTS), develop enhancements to existing COTS and GOTS, or develop new modeling techniques and models as specified. The contractor shall perform analytical trend analysis, environmental threshold performance indicators, prediction and analysis, and risk assessment and environmental benefits analysis.

### **2.2 Program Management Support**

2.2.1 The contractor shall provide program management and administrative support for environmental and installation programs. The contractor shall assist with developing technical program planning and control documents. The contractor shall assist in the development of management plans and strategies, milestone planning and tracking,

CONTRACT NO. N00178-04-D-4024	DELIVERY ORDER NO. FG02	AMENDMENT/MODIFICATION NO. 26	PAGE 34 of 75	FINAL

evaluations of program schedules, and deliverable tracking to include the planning, and/or reviewing of program data deliverables.

### 2.2.2 Conferences, Meetings, Reviews

The contractor may be required to organize, attend or host, and facilitate program meetings discussions as directed by the Government. The contractor shall assist in preparing and coordinating the agenda to key meetings, prepare presentation materials, host and/or participate in the actual meeting, and draft the minutes and action items for appropriate action. The Government will conduct reviews of the activities, provide technical direction, and approval of all major activities undertaken by the contractor.

### 2.2.3 Acquisition Program Management Support

The contractor shall provide technical and program management support to assist the Government in evaluating and supporting the Defense Acquisition System policy, guidance, planning outreach, and training initiatives, DoD systems acquisition programs, and Joint Capabilities Integration and Development System (JCIDS). Program areas include systems acquisition program oversight and review, systems acquisition policy and guidance, Defense Acquisition University (DAU) curricula development/revision of environmental, safety, and occupational health (ESOH) content, new or special initiatives for ESOH in systems acquisition as well as other environment and safety programs that have a direct relation to the results of these initiatives, to ascertain progress, suggest changes or improvements, and evaluate implementation planning and procedures. Technical and program management support for integrating ESOH into advanced technology and research and development initiatives may also be required. This support will include assistance with integrating ESOH into the life cycle defense systems.

## 3.0 DELIVERABLES

**3.1** The contractor shall submit monthly status reports, which are due on the 15<sup>th</sup> of each month and shall be submitted to: Indian Head Division/Naval Surface Warfare Center, Weapon Simulation, 4280 South Patterson Road, Suite 110, Code CAC1, Indian Head, MD 20640-5135. These reports shall include the following elements:

Contractor's name and address

Contract number and task order number

Date of report

Period covered by report

Man-hours expended by discipline for the reporting period, and cumulatively during the task order

Cost curves portraying actual/projected conditions through the task order

Cost incurred for the reporting period and total contractual expenditures as of report date

Description of progress made during period reported, including problem areas encountered, recommendations, if any for subsequent solution beyond the scope of this task order;

Trips and significant results

Plans for activities during the following period

3.2 The contractor shall provide such additional reporting, documentation, schedules, illustrations and drawings in a timely manner, as are requisites to the various task activities of the contract. Contractor shall provide a listing keyed to specific tasks identifying the minimum reporting deliverables associated with each task. Reporting should be in sufficient detail and of a quality to meet relevant commercial guidelines / standards and will include, but not be limited to:

Technical reports, instructional/training documentation, courseware, data compilations, and data surveys, evaluations, and analyses

Testing procedures, requirements, assessments, calibrations, and schedules

Specifications, tabulations, engineering drawings, designs, concepts, diagrams, and circuits

Maintenance requirements, guidelines, schedules, procedures, instructions, corrective actions, etc.

Conference agenda, conference minutes, and presentation materials

Purchase descriptions, proposals, equipment illustrations, program planning, support, and budget documentation and funding plans

#### **GOVERNMENT FURNISHED EQUIPMENT (GFE) AND GOVERNMENT FURNISHED INFORMATION (GFI)**

GFE and GFI may be required for completion of tasks under this Statement of Work. Specific GFE/GFI details will be provided in Technical Instruction issued under this task order.

Both the contractor and the designated Task Order Manager (TOM) will maintain accountability and inventory records

#### **5.0 TRAVEL**

The contractor shall be required to travel in performance of this task order. The numbers of trips and types of personnel traveling shall be limited to the minimum required to accomplish work requirements and shall be coordinated with the Government Project Officer for each individual task and the Task Order Manager (TOM).

#### **6.0 SECURITY**

Key Personnel associated with this task order may be required to have a DoD "Secret" clearance. The contractor may have access to information and compartments with a "Secret" classification. The contractor must be capable of securely storing up to "Secret" level information in their facility. All deliverables associated with this task order are "unclassified" unless otherwise specified.

#### **7.0 DISCLAIMER STATEMENT**

Any reports resulting from this task order shall contain the following disclaimer statement on the cover of such reports:

*"The views, opinion and findings contained in this report are those of the author(s) and should not be construed as an official Department of Defense position, policy, or decision, unless so designated by other official documentation."*

## SECTION I CONTRACT CLAUSES

52.222-41 Service Contract Act (1965)

In addition to the clauses in the basic contract, the following clauses are incorporated into the subject task order:

### **OPTION TO EXTEND THE TERM OF THE TASK ORDER**

(a) The Government may extend the term of this contract by written notice to the Contractor within 365 days of award or exercise of previous option; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 days before the task order expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended task order shall be considered to include this option clause.

(c) The total duration of this task order, including the exercise of any options under this clause, shall not exceed 5 years.
