CONTRACTING OFFICER'S REPRESENTATIVE (COR)

(a) The COR for this task order is:

Name: [REDACTED]
Address: 4072 North Jackson Road, Suite 106, Indian Head, MD 20640-5115
Phone: [REDACTED]
Email: [REDACTED]

(b) The Alternate COR for this contract is: N/A

(c) The COR will act as the Contracting Officer's representative for technical matters, providing technical direction and discussion, as necessary, with respect to the specification or statement of work, and monitoring the progress and quality of contractor performance. The COR is not an Administrative Contracting Officer (ACO) and does not have authority to direct the accomplishment of effort which is beyond the scope of the statement of work in the task order.

(d) When, in the opinion of the contractor, the COR requests effort outside the existing scope of the task order, the contractor shall promptly notify the contracting officer (or ordering officer) in writing. No action shall be taken by the contractor under such direction until the contracting officer has issued a modification to the task order, until the ordering officer has issued a modification to the task order; or until the issue has been otherwise resolved.

(e) In the event that the COR named above is absent due to leave, illness or official business, all responsibility and functions assigned to the COR will be the responsibility of the alternate COR.

IHD X - INVOICE INSTRUCTIONS (NSWCIHD) (DEC 2006)

(a) In accordance with the clause of this contract entitled "ELECTRONIC SUBMISSION OF PAYMENT REQUESTS" (DFARS 252.232-7003), the Indian Head Division, Naval Surface Warfare Center will utilize the DoD Wide Area Workflow Receipt and Acceptance (WAWF) system to accept supplies/services delivered under this contract. This web-based system located at <https://wawf.eb.mil> provides the technology for government contractors and authorized Department of Defense (DoD) personnel to

generate, capture, and process receipt and payment-related documentation in a paperless environment. Submission of hard copy DD250/invoices may no longer be accepted for payment.

(b) It is recommended that the person in your company designated as the Central Contractor Registration (CCR) Electronic Business (EB) Point of Contact and anyone responsible for the submission of invoices, use the online training system for WAWF at <http://wawftraining.com>. The Vendor, Group Administrator (GAM), and sections marked with an asterisk in the training system should be reviewed. Vendor Quick Reference Guides are also available at <http://acquisition.navy.mil/navyaos/content/view/full/3521/>. The most useful guides are “Getting Started for Vendors” and “WAWF Vendor Guide”.

(c) The designated CCR EB point of contact is responsible for activating the company’s CAGE code on WAWF by calling 1-866-618-5988. Once the company is activated, the CCR EB point of contact will self-register under the company’s CAGE code on WAWF and follow the instructions for a group administrator. After the company is set-up on WAWF, any additional persons responsible for submitting invoices must self-register under the company’s CAGE code at <https://wawf.eb.mil>.

(d) The following information regarding invoice routing is provided for completion of the invoice in WAWF:

Attachments created in any Microsoft Office product may be attached to the WAWF invoice, e.g., backup documentation, timesheets, etc. Maximum limit for size of each file is 2 megabytes. Maximum limit for size of files per invoice is 5 megabytes.

(e) Before closing out of an invoice session in WAWF, but after submitting your document(s), you will be prompted to send additional email notifications. Click on “Send More Email Notifications” and add the email addresses noted below. These additional notifications to the government are necessary to make the acceptor aware that the invoice documents have been submitted into the WAWF system. Without these additional notifications, the government may be unable to process your submissions in a timely manner, which will delay payment.

Send Additional Email Notifications to the Following Addresses:
See Note 7

(f) The contractor shall submit invoices for payment per contract terms and the government shall process invoices for payment per contract terms.

(g) If you have any questions regarding WAWF, please contact the WAWF helpdesk at the above 1-866 number or the NSWCIIHD WAWF point of contact, Dan Twombly, at 301-744-6648 or daniel.twombly@navy.mil.

SECTION C DESCRIPTIONS AND SPECIFICATIONS

PERFORMANCE-BASED

STATEMENT OF WORK

FOR

ENVIRONMENTAL AND INSTALLATION

ANALYSIS AND PROGRAM SUPPORT

GENERAL

1.1 Introduction

The Indian Head Division/Naval Surface Warfare Center (IHD/NSWC) has been tasked with providing analytical and programmatic services to support installation and environmental requirements for the Navy, the Department of Defense (DoD) and other agencies. This support will provide assistance with meeting compliance requirements of Federal law, Executive Orders, and Departmental Directives.

1.2 Background (For Information Purposes Only)

The Navy, Defense Services and Agencies and other Federal Facilities are responsible for complying with laws, regulations, and Executive Orders regarding the physical and natural infrastructure of installations under their control. This includes all facilities and activities conducted within the fenceline, many of which are required to maintain environmental permits, licenses, and agreements in order to operate and conduct their missions. Specifically, support is required to implement results of statutorily required decisions such as: Base Realignment and Closure (BRAC), National Environmental Policy Act (NEPA), and federal and state environmental compliance and clean up laws.

1.3 Scope

This Statement of Work addresses support required to provide engineering, analytical and programmatic support on a wide array of policy, planning, organizational and operational issues in support of Navy, Department of Defense (DoD) and other Federal activities. The objective of these analyses is to provide the Government with the information necessary to articulate efficient and effective process, organizational structure, and program guidance to respond to the dynamic environment and installation issues that result from major mission changes, BRAC, or new legislation. The goal of this tasking is to assist the Government in assessing operational efficiencies and effectiveness of installation and environmental programs and to identify actions to better align business and management practices with current requirements, as well as ensuring National Security objectives, public safety and security concerns are met across the planning cycle.

The contractor shall provide actionable recommendations and methodologies supported by analysis that lead to improvement in overall installation and environmental program implementation. Specific objectives are:

- Provide integrated, comprehensive, structured environmental, safety, and health planning and compliance support for Navy and DoD programs such as weapons system acquisition, operational and training activities, and facilities projects.

CONTRACT NO. N00178-04-D-4024	DELIVERY ORDER NO. FG03	AMENDMENT/MODIFICATION NO. 34	PAGE 26 of 74	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

- Provide operational services, recommendations; strategies in support of Federal agencies implementation planning activities associated with the BRAC 2005 decisions. This may include stakeholder communications, process facilitation, integration management of multiple processes, training and education, and document/records management.

The contractor shall advise and assist the Government, but shall not make final decisions or certifications on behalf of the Government nor perform any inherently Governmental functions. The contractor and its employees shall not represent the Government nor appear to represent the Government in performance of these contract services. At all times, contractor personnel will wear appropriate identification identifying themselves as contractor personnel. At all meetings, conferences, or sessions with the Government personnel, contractor personnel shall clearly identify their status as contractor employees. All reports delivered under this contract are property of the U.S. Government.

2.0 REQUIREMENTS

2.1 Engineering and Analytical Support

2.1.1 The contractor shall use an integrated, comprehensive, structured and disciplined approach to environmental safety and health (ESH) planning and compliance for Navy, DoD, and other Federal agencies for programs such as BRAC, mission planning, acquisition programs, operational and training activities, and facilities projects. The contractor shall provide analytical support to assist the Government with environmental decision making and policy analysis, legislative and regulatory tracking, compliance monitoring, performance measurement and process improvement. Analyses shall include liability and risk, resource allocation, quality and knowledge management, process integration support and life cycle cost.

The contractor shall review new and revised legislation and regulations for impact to the Government. The contractor shall recommend changes, revisions, and updates to current policy, technical materials, briefings, training initiatives and course materials in light of new regulations. This task will cover all areas of operational compliance including air, water, environmental planning, range sustainment, and BRAC general support. The contractor shall provide draft and final analyses for use in briefings, symposia, publications, web sites or other media deemed appropriate.

The contractor shall assist with generating public awareness and environmental education, particularly among targeted groups, about relevant laws and regulations through the use of media, awareness raising campaigns, and incorporation of environmental issues in mainstream education.

2.1.2 Modeling and Simulation Support

The contractor shall provide through modeling and simulation a diverse quantity of analytical tools and environments for demonstrating, validating, and analyzing the interoperability of multi-force multi-region warfare. This will provide a high fidelity, real environment generation, impact prediction and simulation capability for operational, installation, and environmental decision makers. The contractor shall conduct advanced alternatives assessment, program life-cycle planning and prediction, and monitoring of process development and implementation.

The contractor shall conduct mission-planning activities, which will enable decision makers to conduct environmental security requirement's definition and impact prediction for the war fighter. Advanced modeling techniques shall be used to provide the missing links and seamless interface to bring together the multiple data to ensure the best planned operational scenario for the safest and optimal result. This data resource shall support operational planning and scenario generation, disaster preparedness and emergency management, and range interoperability mission execution decisions.

The contractor shall perform modeling analysis efforts, which may include integration and applications interfaces, data integration and analysis. The contractor may be required to use existing develop enhancements to Commercial Off-The-Shelf (COTS) and Government Off-The-Shelf (GOTS) systems (hardware/software) or develop new modeling techniques and models as specified. The contractor shall perform analytical trend analysis, environmental threshold performance indicators, prediction and analysis, and risk assessment and environmental benefits analysis.

----------------------------------	----------------------------	----------------------------------	------------------	-------

2.2 Program Management Support

2.2.1 The contractor shall provide program management and administrative support for environmental and installation programs. The contractor shall assist with developing technical program planning and control documents. The contractor shall assist in the development of management plans and strategies, milestone planning and tracking, evaluations of program schedules, and deliverable tracking to include the planning, and/or reviewing of program data deliverables.

2.2.2 Conferences, Meetings, Reviews

The contractor may be required to organize, attend or host, and facilitate program meetings discussions as directed by the Government. The contractor shall assist in preparing and coordinating the agenda to key meetings, prepare presentation materials, host and/or participate in the actual meeting, and draft the minutes and action items for appropriate action. The Government will conduct reviews of the activities, provide technical direction, and approval of all major activities undertaken by the contractor.

2.2.3 Acquisition Program Management Support

The contractor shall provide technical and program management support to assist the Government in evaluating and supporting the Defense Acquisition System policy, guidance, planning outreach, and training initiatives, DoD systems acquisition programs, and Joint Capabilities Integration and Development System (JCIDS). Program areas include systems acquisition program oversight and review, systems acquisition policy and guidance, Defense Acquisition University (DAU) curricula development/revision of environmental, safety, and occupational health (ESOH) content, new or special initiatives for ESOH in systems acquisition as well as other environment and safety programs that have a direct relation to the results of these initiatives, to ascertain progress, suggest changes or improvements, and evaluate implementation planning and procedures. Technical and program management support for integrating ESOH into advanced technology and research and development initiatives may also be required. This support will include assistance with integrating ESOH into the life cycle defense systems.

3.0 REPORTING REQUIREMENTS AND DELIVERABLES

3.1 The contractor shall submit monthly status reports, which are due on the 15th of each month and shall be submitted to: Indian Head Division/Naval Surface Warfare Center, 4072 North Jackson Road, Building 1558, Room 109A, Code CD1, Indian Head, MD 20640-5135. These reports shall include the following elements:

- Contractor's name and address

Contract number and task order number

Date of report

Period covered by report

Man-hours expended by discipline for the reporting period, and cumulatively during the task order

Cost curves portraying actual/projected conditions through the task order

Cost incurred for the reporting period and total contractual expenditures as of report date

Description of progress made during period reported, including problem areas encountered, recommendations, if any for subsequent solution beyond the scope of this task order;

Trips and significant results

Plans for activities during the following period

3.2 The contractor shall provide such additional reporting, documentation, schedules, illustrations and drawings in a timely manner, as are requisites to the various task activities of the contract. Contractor shall provide a listing keyed to specific tasks identifying the minimum reporting deliverables associated with each task. Reporting should be in sufficient detail and of a quality to meet relevant commercial guidelines / standards and will include, but not be limited to:

Technical reports, instructional/training documentation, courseware, data compilations, and data surveys, evaluations, and analyses

Testing procedures, requirements, assessments, calibrations, and schedules

Specifications, tabulations, engineering drawings, designs, concepts, diagrams, and circuits

Maintenance requirements, guidelines, schedules, procedures, instructions, corrective actions, etc.

Conference agenda, conference minutes, and presentation materials

Purchase descriptions, proposals, equipment illustrations, program planning, support, and budget documentation and funding plans

4.0 GOVERNMENT FURNISHED EQUIPMENT (GFE) AND GOVERNMENT FURNISHED INFORMATION (GFI)

GFE and GFI may be required for completion of tasks under this Statement of Work. Specific GFE/GFI details will be provided in Technical Instruction issued under this task order.

Both the contractor and the designated Task Order Manager (TOM) will maintain accountability and inventory records.

5.0 TRAVEL

The contractor shall be required to travel in performance of this task order. The numbers of trips and types of personnel traveling shall be limited to the minimum required to accomplish work requirements and shall be coordinated with the Government Project Officer for each individual task and the Task Order Manager (TOM).

6.0 SECURITY

Key Personnel associated with this task order may be required to have a DoD "Secret" clearance. The contractor may have access to information and compartments with a "Secret" classification. The contractor must be capable of securely storing up to "Secret" level information in their facility. All deliverables associated with this task order are "unclassified" unless otherwise specified.

7.0 DISCLAIMER STATEMENT

Personally Identifiable Information (PII)

Personally Identifiable Information is information that can be used to distinguish or trace someone's identity. It includes information such as name, social security number, date and place of birth, mother's maiden name, and biometric records, including any other personnel information which is linked to an individual. When submitting any of this information in electronic communication methods ensure the subject line indicates "For Official Use Only (FOUO) Privacy Sensitive". Contractor's who work with records that contain the aforementioned sensitive information are responsible for protection of PII. Failure to safeguard PII can result in identity theft as well as can result in criminal penalties against the individual and civil penalties against the agency. In order to protect PII, all documentation utilized by Naval Support Activity South Potomac (NSASP) for vetting and determining the fitness of individual requesting and/or requiring access to NSASP installations will be destroyed.

Citizenship

Individuals working on this contract must be U.S. citizens, immigrant/resident aliens who hold a current resident alien card with a photo; either the I-551 with a photo and without an expiration date or who hold the new type I-766 Employment Authorization Card (with magnetic strip, photo, hologram) issued by Homeland Security in their possession in order to enter the installation. As is the case with anyone allowed access to the installation, these individuals must also have a current driver's license or state issued identification card.

Resident aliens or those with a Homeland Security I-766 may work in the general or restricted areas but cannot enter or work inside technical buildings unless authorized by the cognizant command.

Those with any other type of work permit, resident cards with expiration dates, visas, etc. will not be granted access.

Expected Visitor

Submission of personal information is required for the purpose of vetting individuals to ensure fitness for access to military installations, to include criminal record and sex offender registry status. In accordance with the Office of the Chief of Naval Operations (OPNAV), OPNAVINST 1752.3 dated 27 May 2009 sex offenders are prohibited from accessing Navy facilities. Information obtained will be destroyed once verified. Non-compliance in providing personal information will result in denial of access.

An expected visitor must identify the Company Name along with address, Date of the Visit, Visitor Name (first name, middle initial and last name), Social Security Number (SSN), Date of Birth, Citizenship, Drivers License or State issued ID (State issued, photo ID number and expiration date), Building Number Visiting, Point of Contact and Telephone number not later than **five working days** before the required visit to the Contracting Officer Representative (COR).

Prior to granting access, the aforementioned expected visitor information is required to be submitted to the COR.

On the day of the arrival, the person must bring their photo identification, vehicle registration and proof of insurance card. All visitors must stop at the Activity pass office for clearance.

Recurring Vendors, Contractors, Suppliers and Other Service Providers

NSWC IHD has implemented RAPIDGate for non-common access card (CAC) vendors, contractors, and suppliers program in accordance with Commander, Navy Installations Command (CNIC) Notice 5530 dated 12 July 2010. It is strongly encouraged that all non-CAC holders who require base access enroll into the RAPIDGate program. RAPIDGate provides a standardized background check, identification credential, biometric capabilities and entry procedures that will enhance security while significantly expediting access. RAPIDGate credential will be issued and base access granted once the enrollee passes vetting and National

background checks conducted by RAPIDGate systems maintained by the installation. The RAPIDGate credential will be the only means for long term installation access. After 1 June 2011, NSASP will only issue one day Temporary Paper Passes and all previously issued passes will expire. Participants in the RAPIDGate program will have streamlined access to the installation which will reduce time and costs to companies desiring to conduct business on NSASP installations. The following RAPIDGate Program Enrollment Information is provided:

4.5.1 Enrollment in RAPIDGate

Enroll your company by calling 1-877-RAPIDGate (1-877-727-4342). A customer service representative will give you all the necessary information regarding the program and send you the necessary enrollment forms. You will need to provide your installation name (NSA South Potomac) and sponsor point of contact or (COR), including a name, phone number and e-mail address. NSASP must authorize your request to participate in the RAPIDGate Program. The minimum elapsed time from company enrollment to an employee receiving RAPIDGate credential is approximately two weeks.

4.5.2 Current RAPIDGate Enrollment

If your company is already enrolled in the RAPIDGate Program at another installation, you may request access to this installation by calling the aforementioned number. Once your company is approved by NSASP your employees who already hold RAPIDGate credentials will be able to use the same credentials at our installation.

4.5.3 Approved RAPIDGate Enrollment

Once your company has been approved for enrollment and paid the enrollment fee, instruct your employees to register at the self service registration located at the NSWC IHD Pass and ID Office at Indian Head. Each employee should be ready to provide your company's RAPIDGate company code, his or her address, phone number, date of birth, and social security number. The registration station will capture the employee's photograph for badging and fingerprints for identity verification.

4.5.4 Assisted RAPIDGate registrations

Assisted registration at your company's location may be available if you have 50 or more employees to register. Contact RAPIDGate for details at 1-877-RAPIDGate.

4.5.5 RAPIDGate Background Screening and Credentialing

RAPIDGate program performs background screening and credentialing. Upon the company approving an employee participation and paid the registration fee, the RAPIDGate Program performs identity authentication and background screening. Your company will be notified when qualified employees may pick up their personalized RAPIDGate credentials at the NSWC IHD Pass and ID Office. To retrieve the credential, the employee must show proof of identity by presenting one form of identification from List A or two forms of identification from List B.

Forms of Acceptable Identification for picking up credentials:

List A – One Required

- U.S. Passport (current not expired)
- Permanent Resident Card or Alien Registration Receipt Card (Form I-551)
- Unexpired foreign passport, with I-551 stamp or attached Form I-94 indicating unexpired employment authorization
- Unexpired Employment Authorization Document that contains a photograph (Form I-766, I-688, I-688A, I-688B)

List B – Two Required

- Drivers license or ID card issued by a state

ID Card issued by federal, state or local government agencies or entities
School ID card with a photograph
Voter's registration card
U.S. Military card or draft card
Military Dependent's ID Card
U.S. Coast Guard Merchant Mariner Card
Native American Tribal document
Driver's license issued by a Canadian Government Authority
U.S. Social Security card issued by the Social Security Administration
Certification of Birth Abroad issued by the Department of State (Form FS-545 or Form DS-1350)
Original or certified copy of a birth certificate issued by a state, county, municipal authority or outlying possession of the United States bearing an official seal
U.S. Citizen ID Card (Form I-197)
ID Card for use of Resident Citizen in the United States (Form I-179)
Unexpired employment authorization document issued by DHS (other than those listed under List A)

4.5.6.7 RAPIDGate entry

After activating the RAPIDGate credentials, employees present them to the officer at the entry control point to request entry to NSWC IHD. Participants must wear and display their credential at all times while on the installation. Questions about the RAPIDGate program shall be addressed to info@rapidgate.com with the subject line RE: RAPIDGate Program.

Activity Identification Badges and Vehicle Decals

Contractors that require routine access to the installation shall obtain an identification badge and DoD decal for their vehicle in accordance with Naval Support Activity South Potomac installation access control procedures.

Contractor employees shall submit an application for badge requests to the COR by providing their personal information such as Company Name and Address, Name (last name, first name and middle initial), SSN, Date of Birth, Citizenship, Drivers License or State issued ID (State issued, photo ID number and expiration date). Any lost or stolen badges shall immediately be reported to the COR along with the Security Office.

To obtain DoD decals, the employee must present a valid driver's license, current vehicle registration required by the state in which the vehicle is registered and current proof of insurance for the registered vehicle.

Badge and Vehicle Decal Returns

Notify the Physical Security Office and the COR of all terminations of employees to ensure access levels are removed and all badges issued to the person by the Activity are returned.

Installation Traffic and Parking Regulations

All contractors at NSASP are subject to federal law, DoD, DoN, Navy Installation Command (CNIC), Navy District Washington (NDW), and NSASP regulations, policies and appropriate supported command instructions. All provisions of Virginia and Maryland vehicle codes apply unless one of the aforementioned regulations or policies is more restrictive.

Contractors must comply with NSASP Instruction 5560.1 dated 26 February 2009 for traffic control, parking control and traffic court at the Naval Support Activity, South Potomac installations for Naval Support Facility Indian Head and Stump Neck Annex. This aforementioned instruction is located on the internet website, <http://dahlgrensharks.com/NSASPINST%205560.1%20Installation%20Traffic%20&%20Parking%20Regulations.pdf>. Any violations of the instruction, Navy or DoD regulation or policy, or state or federal laws may result in a wide range of penalties. These may include but are not limited to: criminal charges, civil

charges, vehicle towing, vehicle impoundment at owner's expense, and/or other administrative or legal action up to and including removal of vehicle or individuals from the confines of NSASP installations.

Privately owned vehicles that operate on the Activity must comply with state inspection requirements of the state in which the vehicle is registered.

Regardless of status, all vehicles and personnel entering and exiting the Activity shall be subject to searches to ensure the overall readiness of the Activity.

All drivers entering shall possess a valid driver's license, issued by competent authority, on their person when operating a motor vehicle. In addition, all vehicles shall have a current registration, license plates, and proof of insurance.

All personnel onboard the Activity are subject to federal law, DoD, DoN, Navy Installation Command (CNIC), Navy District Washington (NDW), NSASP regulations and State laws, policies and appropriate supported commands instructions in support of the mission.

Smoking Policy

Smoking is prohibited within and outside of all buildings on the installation activity except in designated areas. Discarding tobacco materials other than into designated tobacco receptacles is considered littering and is subject to fines. Matches or lighters and other spark/flame producing devices are prohibited in the Activity restricted area. Only installed electric lighters shall be allowed in designated smoking areas. A vehicle is not a designated smoking area.

Hand Held Cellular Devices and Earpieces

All vehicle operators onboard the Activity shall not use cell phones unless the vehicle is safely parked or unless they are using a hands free device. Use of cellular phones, CB radios, walkie-talkies, and other portable radio transmitters is prohibited in the restricted areas beyond NSASP Indian Head Post II and Stump Neck Annex unless approved by the hazards of electromagnetic radiation to ordnance (HERO) program manager.

Photographic Equipment

Photographic equipment of any kind is prohibited within the restricted area unless a camera permit is approved by their command and issued by the Activity Pass and ID.

IHD 77 - INVOICE INSTRUCTIONS (NSWC IHD) (DEC 2006)

(a) In accordance with the clause of this contract entitled "ELECTRONIC SUBMISSION OF PAYMENT REQUESTS" (DFARS 252.232-7003), the Indian Head Division, Naval Surface Warfare Center will utilize the DoD Wide Area Workflow Receipt and Acceptance (WAWF) system to accept supplies/services delivered under this contract. This web-based system located at <https://wawf.eb.mil> provides the technology for government contractors and authorized Department of Defense (DoD) personnel to generate, capture, and process receipt and payment-related documentation in a paperless environment. Submission of hard copy DD250/invoices may no longer be accepted for payment.

(b) It is recommended that the person in your company designated as the Central Contractor Registration (CCR) Electronic Business (EB) Point of Contact and anyone responsible for the

submission of invoices, use the online training system for WAWF at <http://wawftraining.com>. The Vendor, Group Administrator (GAM), and sections marked with an asterisk in the training system should be reviewed. Vendor Quick Reference Guides are also available at <http://acquisition.navy.mil/navyaos/content/view/full/3521/>. The most useful guides are “Getting Started for Vendors” and “WAWF Vendor Guide”.

(c) The designated CCR EB point of contact is responsible for activating the company’s CAGE code on WAWF by calling 1-866-618-5988. Once the company is activated, the CCR EB point of contact will self-register under the company’s CAGE code on WAWF and follow the instructions for a group administrator. After the company is set-up on WAWF, any additional persons responsible for submitting invoices must self-register under the company’s CAGE code at <https://wawf.eb.mil>.

(d) The following information regarding invoice routing is provided for completion of the invoice in WAWF:

WAWF Invoice Type	Cost Type
Issuing Office DODAAC	N00174

Inspector DODAAC (if applicable)	HAA47F
Acceptor DODAAC	HAA47F
LPO DODAAC (if applicable)	N/A
Pay DODAAC:	HQ0338
DCAA Auditor DODAAC (if applicable)	HAA47F

Attachments created in any Microsoft Office product may be attached to the WAWF invoice, e.g., backup documentation, timesheets, etc. Maximum limit for size of each file is 2 megabytes. Maximum limit for size of files per invoice is 5 megabytes.

(e) Before closing out of an invoice session in WAWF, but after submitting your document(s), you will be prompted to send additional email notifications. Click on “Send More Email Notifications” and add the email addresses noted below. These additional notifications to the government are necessary to make the acceptor aware that the invoice documents have been submitted into the WAWF system. Without these additional notifications, the government may be unable to process your submissions in a timely manner, which will delay payment.

Send Additional Email Notifications to the Following Addresses:

(f) The contractor shall submit invoices for payment per contract terms and the government shall process invoices for payment per contract terms.

(g) If you have any questions regarding WAWF, please contact the WAWF helpdesk at the

GOVERNMENT-FURNISHED PROPERTY (PERFORMANCE)

The Government will provide only that property set forth below, notwithstanding any term or condition of this contract to the contrary. Upon Contractor's written request to the cognizant Task Order Manager, via the cognizant Contract Administration Office, the Government will furnish the following for use in the performance of this task order:

TECHNICAL INSTRUCTIONS

(a) Performance of the work hereunder will be subject to written technical instructions signed by the Ordering Officer specified in Section G of this task order. As used herein, technical instructions are defined to include the following:

(1) Directions to the Contractor which suggest pursuit of certain lines of inquiry, shift work emphasis, fill in details or otherwise serve to accomplish the contractual statement of work.

(2) Guidelines to the Contractor which assist in the interpretation of drawings, specifications or technical portions of work description.

(b) Technical instructions must be within the general scope of work stated in the task order. Technical instructions may not be used to: (1) assign additional work under the task order; (2) direct a change as defined in the "CHANGES" clause of the basic contract; (3) increase or decrease the task order price or estimated task order amount (including fee), as applicable, the level of effort, or the time required for task order performance; or (4) change any of the terms, conditions or specifications of the task order.

(c) If, in the opinion of the Contractor, any technical instruction calls for effort outside the scope of the task order or is inconsistent with this requirement, the Contractor shall notify the Ordering Officer in writing within ten (10) working days after the receipt of any such instruction. The Contractor shall not proceed with the work affected by the technical instruction unless and until the Contractor is notified by the Ordering Officer that the technical instruction is within the scope of this task order.

(d) Nothing in the foregoing paragraph shall be construed to excuse the Contractor from performing that portion of the contractual work statement which is not affected by the disputed technical instruction.

SECTION I CONTRACT CLAUSES

52.222-41 Service Contract Act (1965)

In addition to the clauses in the basic contract, the following clauses are incorporated into the subject task order:

OPTION TO EXTEND THE TERM OF THE TASK ORDER

(a) The Government may extend the term of this contract by written notice to the Contractor within 365 days of award or exercise of previous option; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 days before the task order expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended task order shall be considered to include this option clause.

(c) The total duration of this task order, including the exercise of any options under this clause, shall not exceed 5 years.
