## SECTION C DESCRIPTIONS AND SPECIFICATIONS

### PERFORMANCE-BASED STATEMENT OF WORK FOR ENVIRONMENTAL AND INSTALLATION ANALYSIS AND PROGRAM SUPPORT

#### 1.0 GENERAL

##### 1.1 Introduction

The Indian Head Division/Naval Surface Warfare Center (IHD/NSWC) has been tasked with providing analytical and programmatic services to support installation and environmental requirements for NAVSEA 04RE, Washington Navy Yard; Office of the Deputy Under Secretary of Defense for Installations and Environment Basing Directorate; Defense Readiness Reporting System, Navy (DRRS-N) Program Manager, Commander Navy Installations Command; and Naval Ordnance Safety and Security Activity (NOSSA). This support will provide assistance with meeting compliance requirements of Federal law, Executive Orders, and Departmental Directives.

##### 1.2 Background (For Information Purposes Only)

The Navy, Defense Services and Agencies and other Federal Facilities are responsible for complying with laws, regulations, and Executive Orders regarding the physical and natural infrastructure of installations under their control. This includes all facilities and activities conducted within the fence line, many of which are required to maintain environmental permits, licenses, and agreements in order to operate and conduct their missions. Specifically, support is required to implement results of statutorily required decisions such as: Base Realignment and Closure (BRAC), National Environmental Policy Act (NEPA), and federal and state environmental compliance and clean up laws.

##### 1.3 Scope

This Statement of Work addresses support required to provide engineering, analytical and programmatic support on a wide array of policy, planning, organizational and operational issues in support of Navy, Department of Defense (DoD) and other Federal activities. The objective of these analyses is to provide the Government with the information necessary to articulate efficient and effective process, organizational structure, and program guidance to respond to the dynamic environment and installation issues that result from major mission changes, remaining BRAC efforts, or new legislation. The goal of this tasking is to assist the Government in assessing operational efficiencies and effectiveness of installation and environmental programs and to identify actions to better align business and management practices with current requirements, as well as ensuring National Security objectives, public safety and security concerns are met across the planning cycle.

The contractor shall provide actionable recommendations and methodologies supported by analysis that lead to improvement in overall installation and environmental program implementation. Specific objectives are:

- Provide integrated, comprehensive, structured environmental, safety, and health planning and compliance support for Navy and DoD programs such as weapons system acquisition, operational and training activities, and facilities projects.
- Provide operational services, recommendations; strategies in support of Federal agencies implementation planning activities associated with the BRAC 2005 decisions. This may include stakeholder communications, process facilitation, integration management of multiple processes, training and education, and document/records management.

The contractor shall advise and assist the Government, but shall not make final decisions or certifications on behalf of the Government nor perform any inherently Governmental functions. The contractor and its employees shall not represent the Government nor appear to represent the Government in performance of these contract services. At all times, contractor personnel will wear appropriate identification identifying themselves as contractor personnel. At all meetings, conferences, or sessions with the Government personnel, contractor personnel shall clearly identify their status as contractor employees. All reports delivered under this contract are property of the U.S. Government.

## **2.0 REQUIREMENTS**

### **2.1 Engineering and Analytical Support**

2.1.1 The contractor shall use an integrated, comprehensive, structured and disciplined approach to environmental safety and health (ESH) planning and compliance for NAVSEA 04RE; Office of the Deputy Under Secretary of Defense for Installations and Environment Basing Directorate; DRRS-N Program Manager, Commander Navy Installations Command; and NOSSA for programs such as BRAC, mission planning, acquisition programs, operational and training activities, and facilities projects. The contractor shall provide analytical support to assist the Government with environmental decision making and policy analysis, legislative and regulatory tracking, compliance monitoring, performance measurement and process improvement. Analyses shall include liability and risk, resource allocation, quality and knowledge management, process integration support and life cycle cost.

The contractor shall review new and revised legislation and regulations for impact to the Government. The contractor shall recommend changes, revisions, and updates to current policy, technical materials, briefings, training initiatives and course materials in light of new regulations. This task will cover all areas of operational compliance including air, water, environmental planning, range sustainment, and BRAC general support. The contractor shall provide draft and final analyses for use in briefings, symposia, publications, web sites or other media deemed appropriate.

The contractor shall assist with generating public awareness and environmental education, particularly among targeted groups, about relevant laws and regulations through the use of media, awareness raising campaigns, and incorporation of environmental issues in mainstream education.

#### **2.1.2 Modeling and Simulation Support**

The contractor shall provide through modeling and simulation a diverse quantity of analytical tools and environments for demonstrating, validating, and analyzing the interoperability of multi-force multi-region warfare. This will provide a high fidelity, real environment generation, impact prediction and simulation capability for operational, installation, and environmental decision makers. The contractor shall conduct advanced alternatives assessment, program life-cycle planning and prediction, and monitoring of process development and implementation.

The contractor shall conduct mission-planning activities, which will enable decision makers to conduct environmental security requirement's definition and impact prediction for the war fighter. Advanced modeling techniques shall be used to provide the missing links and seamless interface to bring together the multiple data to ensure the best planned operational scenario for the safest and optimal result. This data resource shall support operational planning and scenario generation, disaster preparedness and emergency management, and range interoperability mission execution decisions.

The contractor shall perform modeling analysis efforts, which may include integration and applications interfaces, data integration and analysis. The contractor may be required to use existing or develop enhancements to Commercial Off-The-Shelf (COTS) and Government Off-The-Shelf (GOTS) systems (hardware/software) or develop new modeling techniques and models as specified. The contractor shall perform analytical trend analysis, environmental threshold performance indicators, prediction and analysis, and risk assessment and environmental benefits analysis.

### **2.2 Program Management Support**

2.2.1 The contractor shall provide program management and administrative support for environmental and installation programs. The contractor shall assist with developing technical program planning and control documents. The contractor shall assist in the development of management plans and strategies, milestone planning and tracking, evaluations of program schedules, and deliverable tracking to include the planning, and/or reviewing of program data deliverables.

#### **2.2.2 Conferences, Meetings, Reviews**

The contractor may be required to organize, attend or host, and facilitate program meetings discussions as directed by the Government. The contractor shall assist in preparing and coordinating the agenda to key meetings, prepare presentation materials, host and/or participate in the actual meeting, and draft the minutes and action items for appropriate action. The Government will conduct a review of the activities, provide technical direction, and approval of all major activities undertaken by the contractor.

NAVSEA sponsored conferences must be in accordance with NAVSEA Instruction 5050.9, which establishes the NAVSEA policy and approval procedures for all NAVSEA sponsored conferences. The instruction defines a conference as

“a meeting, retreat, seminar, symposium, or event that involves attendee travel.”

### 2.2.3 Acquisition Program Management Support

The contractor shall provide technical and program management support to assist the Government in evaluating and supporting the Defense Acquisition System policy, guidance, planning outreach, and training initiatives, DoD systems acquisition programs, and Joint Capabilities Integration and Development System (JCIDS). Program areas include systems acquisition program oversight and review, systems acquisition policy and guidance, Defense Acquisition University (DAU) curricula development/revision of environmental, safety, and occupational health (ESOH) content, new or special initiatives for ESOH in systems acquisition as well as other environment and safety programs that have a direct relation to the results of these initiatives, to ascertain progress, suggest changes or improvements, and evaluate implementation planning and procedures. Technical and program management support for integrating ESOH into advanced technology and research and development initiatives may also be required. This support will include assistance with integrating ESOH into the life cycle defense systems.

## 3.0 REPORTING REQUIREMENTS AND DELIVERABLES

**3.1** The contractor shall submit monthly status reports, which are due on the 15<sup>th</sup> of each month to: Indian Head Division/Naval Surface Warfare Center, 4072 North Jackson Road, Building 1558, Suite 106, Code CD6, Indian Head, MD 20640-5115. These reports shall include the following elements:

- Contractor's name and address
- Contract number and task order number
- Date of report
- Period covered by report
- Man-hours expended by discipline for the reporting period, and cumulatively during the task order
- Cost curves portraying actual/projected conditions through the task order
- Cost incurred for the reporting period and total contractual expenditures as of report date
- Description of progress made during period reported, including problem areas encountered, and recommendations, if any, for subsequent solution beyond the scope of this task order
- Trips and significant results
- Plans for activities during the following period

**3.2** The contractor shall provide such additional reporting, documentation, schedules, illustrations and drawings in a timely manner, as are requisites to the various task activities of the contract. Contractor shall provide a listing keyed to specific tasks identifying the minimum reporting deliverables associated with each task. Reporting should be in sufficient detail and of a quality to meet relevant commercial guidelines / standards and will include, but not be limited to:

- Technical reports, instructional/training documentation, courseware, data compilations, and data surveys, evaluations, and analyses
- Testing procedures, requirements, assessments, calibrations, and schedules
- Specifications, tabulations, engineering drawings, designs, concepts, diagrams, and circuits
- Maintenance requirements, guidelines, schedules, procedures, instructions, corrective actions, etc.
- Conference agenda, conference minutes, and presentation materials
- Purchase descriptions, proposals, equipment illustrations, program planning, support, and budget documentation and funding plans

### 3.3 Individual Task Order Subcontracting Performance Report

A subcontracting report reflecting task order goals and actual achievements is to be submitted semi-annually during the task order performance for the periods ending March 31 and September 30. A report is also required for the task order within 30 days of task order completion. Reports are due 30 days after the close of each reporting period, unless otherwise directed by the Contracting Officer. Reports are required when due, regardless of whether there has been any subcontracting activity since the inception of the task order or the previous reporting period.

## 4.0 GOVERNMENT FURNISHED EQUIPMENT (GFE) AND GOVERNMENT FURNISHED INFORMATION (GFI)

GFE and GFI may be required for completion of tasks under this Statement of Work. Specific GFE/GFI details will be provided in Technical Instruction issued under this task order.

CONTRACT NO. N00178-04-D-4024	DELIVERY ORDER NO. FG14	AMENDMENT/MODIFICATION NO. 45	PAGE 20 of 57	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

Both the contractor and the designated Task Order Manager (TOM) will maintain accountability and inventory records.

## 5.0 TRAVEL

The contractor shall be required to travel in performance of this task order. All travel must be approved in advance by the TOM. The numbers of trips and types of personnel traveling shall be limited to the minimum required to accomplish work requirements and shall be coordinated with the Government Project Officer for each individual task and the Task Order Manager (TOM). Specific travel requirements shall be delineated and shall be in accordance with Joint Federal Travel Regulations and OCONUS travel will be in accordance with PACOM procedures.

## 6.0 SECURITY

Key Personnel associated with this task order may be required to have a DoD "Secret" clearance. The contractor may have access to information and compartments with a "Secret" classification. The contractor must be capable of securely storing up to "Secret" level information in their facility. All deliverables associated with this task order are "unclassified" unless otherwise specified.

## 7.0 DISCLAIMER STATEMENT

Any reports resulting from this task order shall contain the following disclaimer statement on the cover of such reports:

*"The views, opinion and findings contained in this report are those of the author(s) and should not be construed as an official Department of Defense position, policy, or decision, unless so designated by other official documentation."*

## 8.0 CONTRACTOR LABOR HOUR REPORTING

The contractor shall report ALL contractor labor hours (including subcontractor labor hours) required for performance of services provided under this contract for the Department of Defense via a secure data collection site. The contractor is required to completely fill in all required data fields using the following web address <https://doncmra.nmci.navy.mil>.

Reporting inputs will be for the labor executed during the period of performance during each Government fiscal year (FY), which runs October 1 through September 30. While inputs may be reported any time during the FY, all data shall be reported no later than October 31 of each calendar year. Contractors may direct questions to the help desk, linked at <https://doncmra.nmci.navy.mil>.

## HQ C-2-0037 ORGANIZATIONAL CONFLICT OF INTEREST (NAVSEA) (JUL 2000)

(a) "Organizational Conflict of Interest" means that because of other activities or relationships with other persons, a person is unable or potentially unable to render impartial assistance or advice to the Government, or the person's objectivity in performing the contract work is or might be otherwise impaired, or a person has an unfair competitive advantage. "Person" as used herein includes Corporations, Partnerships, Joint Ventures, and other business enterprises.

(b) The Contractor warrants that to the best of its knowledge and belief, and except as otherwise set forth in the contract, the Contractor does not have any organizational conflict of interest(s) as defined in paragraph (a).

(c) It is recognized that the effort to be performed by the Contractor under this contract may create a potential organizational conflict of interest on the instant contract or on a future acquisition. In order to avoid this potential conflict of interest, and at the same time to avoid prejudicing the best interest of the Government, the right of the Contractor to participate in future procurement of equipment and/or services that are the subject of any work under this contract shall be limited as described below in accordance with the requirements of FAR 9.5.

CONTRACT NO. N00178-04-D-4024	DELIVERY ORDER NO. FG14	AMENDMENT/MODIFICATION NO. 45	PAGE 21 of 57	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

(d) (1) The Contractor agrees that it shall not release, disclose, or use in any way that would permit or result in disclosure to any party outside the Government any information provided to the Contractor by the Government during or as a result of performance of this contract. Such information includes, but is not limited to, information submitted to the Government on a confidential basis by other persons. Further, the prohibition against release of Government provided information extends to cover such information whether or not in its original form, e.g., where the information has been included in Contractor generated work or where it is discernible from materials incorporating or based upon such information. This prohibition shall not expire after a given period of time.

(2) The Contractor agrees that it shall not release, disclose, or use in any way that would permit or result in disclosure to any party outside the Government any information generated or derived during or as a result of performance of this contract. This prohibition shall expire after a period of three years after completion of performance of this contract.

(3) The prohibitions contained in subparagraphs (d)(1) and (d)(2) shall apply with equal force to any affiliate of the Contractor, any subcontractor, consultant, or employee of the Contractor, any joint venture involving the Contractor, any entity into or with which it may merge or affiliate, or any successor or assign of the Contractor. The terms of paragraph (f) of this Special Contract Requirement relating to notification shall apply to any release of information in contravention of this paragraph (d).

(e) The Contractor further agrees that, during the performance of this contract and for a period of three years after completion of performance of this contract, the Contractor, any affiliate of the Contractor, any subcontractor, consultant, or employee of the Contractor, any joint venture involving the Contractor, any entity into or with which it may subsequently merge or affiliate, or any other successor or assign of the Contractor, shall not furnish to the United States Government, either as a prime contractor or as a subcontractor, or as a consultant to a prime contractor or subcontractor, any system, component or services which is the subject of the work to be performed under this contract. This exclusion does not apply to any recompetition for those systems, components or services furnished pursuant to this contract. As provided in FAR 9.505-2, if the Government procures the system, component, or services on the basis of work statements growing out of the effort performed under this contract, from a source other than the contractor, subcontractor, affiliate, or assign of either, during the course of performance of this contract or before the three year period following completion of this contract has lapsed, the Contractor may, with the authorization of the cognizant Contracting Officer, participate in a subsequent procurement for the same system, component, or service. In other words, the Contractor may be authorized to compete for procurement(s) for systems, components or services subsequent to an intervening procurement.

(f) The Contractor agrees that, if after award, it discovers an actual or potential organizational conflict of interest, it shall make immediate and full disclosure in writing to the Contracting Officer. The notification shall include a description of the actual or potential organizational conflict of interest, a description of the action which the Contractor has taken or proposes to take to avoid, mitigate, or neutralize the conflict, and any other relevant information that would assist the Contracting Officer in making a determination on this matter. Notwithstanding this notification, the Government may terminate the contract for the convenience of the Government if determined to be in the best interest of the Government.

(g) Notwithstanding paragraph (f) above, if the Contractor was aware, or should have been aware, of an organizational conflict of interest prior to the award of this contract or becomes, or should become, aware of an organizational conflict of interest after award of this contract and does not make an immediate and full disclosure in writing to the Contracting Officer, the Government may terminate this contract for default.

(h) If the Contractor takes any action prohibited by this requirement or fails to take action required by this requirement, the Government may terminate this contract for default.

(i) The Contracting Officer's decision as to the existence or nonexistence of an actual or potential organizational conflict of interest shall be final.

(j) Nothing in this requirement is intended to prohibit or preclude the Contractor from marketing or selling to the United States Government its product lines in existence on the effective date of this contract; nor, shall this requirement preclude the Contractor from participating in any research and development or delivering any design development model or prototype of any such equipment. Additionally, sale of catalog or standard commercial items are exempt from this requirement.

(k) The Contractor shall promptly notify the Contracting Officer, in writing, if it has been tasked to evaluate or advise the Government concerning its own products or activities or those of a competitor in order to ensure proper safeguards exist to guarantee objectivity and to protect the Government's interest.

----------------------------------	----------------------------	----------------------------------	------------------	-------

(l) The Contractor shall include this requirement in subcontracts of any tier which involve access to information or situations/conditions covered by the preceding paragraphs, substituting "subcontractor" for "contractor" where appropriate.

(m) The rights and remedies described herein shall not be exclusive and are in addition to other rights and remedies provided by law or elsewhere included in this contract.

(n) Compliance with this requirement is a material requirement of this contract.

## SECTION G CONTRACT ADMINISTRATION DATA

### IHD 76-NAVAL SURFACE WARFARE CENTER INDIAN HEAD DIVISION (NSWC IHD), NAVAL SEA SYSTEMS COMMAND, HOURS OF OPERATION AND HOLIDAY SCHEDULE (NAVSEA/IHD) (APR 2011)

1. The policy of this station is to schedule periods of reduced operations or shutdown during holiday periods. Deliveries will not be accepted on Saturdays, Sundays or Holidays except as specifically requested by the NSWC IHD. All goods or services attempted to be delivered on a Saturday, Sunday or Holiday without specific instructions from the Contracting Officer or his duly appointed representative will be returned to the contractor at his expense with no cost or liability to the U.S. Government.
2. The scheduled holidays for NSWC IHD, are:

#### HOLIDAYS\*

New Year's Day  
Martin Luther King's Birthday  
President's Day  
Memorial Day  
Independence Day  
Labor Day  
Columbus Day  
Veteran's Day  
Thanksgiving Day  
Christmas Day

\* If the actual date falls on a Saturday, the holiday will be observed the preceding Friday. If the holiday falls on a Sunday, the observance shall be on the following Monday.

For a specific calendar year, the actual date of observance for each of the above holidays may be obtained from the OPM website at OPM.GOV or by using the following direct link: <http://www.opm.gov/fedhol/index.asp>.

3. The hours of operation for the Contracts Division and Receiving Branch are as follows:

AREA	FROM	TO
Contracts Division (BLDG. 1558)	7:30 A.M.	4:00 P.M.
Receiving Branch (BLDG. 116)	7:30 A.M. 12:30 P.M.	11:00 A.M. 2:00 P.M.

If you intend to visit the Contracts Division, it is advised that you call for an appointment at least 24 hours in advance.

4. NSWC IHD is a tenant of the Naval Support Activity South Potomac (NSASP) at Indian Head. Access to the NSASP at Indian Head shall be in accordance with NSWC IHD Command Security Policy requirements.

#### Routine Physical Contractor Access to a Federally-controlled Activity

##### 4.1 Activity Regulations

All contractor personnel employed on the Activity shall become familiar with and obey all Activity regulations including but are not limited to installation access control policy, safety, traffic and security regulations. The contractor in the performance of work requirements must comply with these regulations.

##### 4.2 Personally Identifiable Information (PII)

Personally Identifiable Information is information that can be used to distinguish or trace someone's identity. It includes information such as name, social security number, date and place of birth, mother's maiden name, and biometric records, including any other personnel information which is linked to an individual. When submitting any of this information in electronic communication methods ensure the subject line indicates "For Official Use Only (FOUO) Privacy Sensitive". Contractor's who work with records that contain the aforementioned sensitive information are responsible for protection of PII. Failure to safeguard PII can result in identity theft as well as can result in criminal penalties against the individual and civil penalties against the agency. In order to protect PII, all documentation utilized by Naval Support Activity South Potomac (NSASP) for vetting and determining the fitness of individual requesting and/or requiring access to NSASP installations will be destroyed.

----------------------------------	----------------------------	----------------------------------	------------------	-------

#### 4.3 Citizenship

Individuals working on this contract must be U.S. citizens, immigrant/resident aliens who hold a current resident alien card with a photo; either the I-551 with a photo and without an expiration date or who hold the new type I-766 Employment Authorization Card (with magnetic strip, photo, hologram) issued by Homeland Security in their possession in order to enter the installation. As is the case with anyone allowed access to the installation, these individuals must also have a current driver's license or state issued identification card.

Resident aliens or those with a Homeland Security I-766 may work in the general or restricted areas but cannot enter or work inside technical buildings unless authorized by the cognizant command.

Those with any other type of work permit, resident cards with expiration dates, visas, etc. will not be granted access.

#### 4.4 Expected Visitor

Submission of personal information is required for the purpose of vetting individuals to ensure fitness for access to military installations, to include criminal record and sex offender registry status. In accordance with the Office of the Chief of Naval Operations (OPNAV), OPNAVINST 1752.3 dated 27 May 2009 sex offenders are prohibited from accessing Navy facilities. Information obtained will be destroyed once verified. Non-compliance in providing personal information will result in denial of access.

An expected visitor must identify the Company Name along with address, Date of the Visit, Visitor Name (first name, middle initial and last name), Social Security Number (SSN), Date of Birth, Citizenship, Drivers License or State issued ID (State issued, photo ID number and expiration date), Building Number Visiting, Point of Contact and Telephone number not later than five working days before the required visit to the Contracting Officer Representative (COR).

Prior to granting access, the aforementioned expected visitor information is required to be submitted to the COR.

On the day of the arrival, the person must bring their photo identification, vehicle registration and proof of insurance card. All visitors must stop at the Activity pass office for clearance.

#### 4.5 Recurring Vendors, Contractors, Suppliers and Other Service Providers

NSWC IHD has implemented RAPIDGate for non-common access card (CAC) vendors, contractors, and suppliers program in accordance with Commander, Navy Installations Command (CNIC) Notice 5530 dated 12 July 2010. It is strongly encouraged that all non-CAC holders who require base access enroll into the RAPIDGate program. RAPIDGate provides a standardized background check, identification credential, biometric capabilities and entry procedures that will enhance security while significantly expediting access. RAPIDGate credential will be issued and base access granted once the enrollee passes vetting and National background checks conducted by RAPIDGate systems maintained by the installation. The RAPIDGate credential will be the only means for long term installation access. After 1 June 2011, NSASP will only issue one day Temporary Paper Passes and all previously issued passes will expire. Participants in the RAPIDGate program will have streamlined access to the installation which will reduce time and costs to companies desiring to conduct business on NSASP installations. The following RAPIDGate Program Enrollment Information is provided:

##### 4.5.1 Enrollment in RAPIDGate

Enroll your company by calling 1-877-RAPIDGate (1-877-727-4342). A customer service representative will give you all the necessary information regarding the program and send you the necessary enrollment forms. You will need to provide your installation name (NSA South Potomac) and sponsor point of contact or (COR), including a name, phone number and e-mail address. NSASP must authorize your request to participate in the RAPIDGate Program. The minimum elapsed time from company enrollment to an employee receiving RAPIDGate credential is approximately two weeks.

##### 4.5.2 Current RAPIDGate Enrollment

If your company is already enrolled in the RAPIDGate Program at another installation, you may request access to this installation by calling the aforementioned number. Once your company is approved by NSASP your employees who already hold RAPIDGate credentials will be able to use the same credentials at our installation.

##### 4.5.3 Approved RAPIDGate Enrollment

Once your company has been approved for enrollment and paid the enrollment fee, instruct your employees to register at the self service registration located at the NSWC IHD Pass and ID Office at Indian Head. Each employee should be ready to provide your company's RAPIDGate company code, his or her address, phone number, date of birth, and social security number. The registration station will capture the employee's photograph for badging and fingerprints for identity verification.

##### 4.5.4 Assisted RAPIDGate registrations

CONTRACT NO. N00178-04-D-4024	DELIVERY ORDER NO. FG14	AMENDMENT/MODIFICATION NO. 45	PAGE 29 of 57	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

Assisted registration at your company's location may be available if you have 50 or more employees to register. Contact RAPIDGate for details at 1-877-RAPIDGate.

#### 4.5.5 RAPIDGate Background Screening and Credentialing

RAPIDGate program performs background screening and credentialing. Upon the company approving an employee participation and paid the registration fee, the RAPIDGate Program performs identity authentication and background screening. Your company will be notified when qualified employees may pick up their personalized RAPIDGate credentials at the NSWC IHD Pass and ID Office. To retrieve the credential, the employee must show proof of identity by presenting one form of identification from List A or two forms of identification from List B.

#### 4.5.4.5.6 Forms of Acceptable Identification for picking up credentials:

##### List A – One Required

- U.S. Passport (current not expired)
- Permanent Resident Card or Alien Registration Receipt Card (Form I-551)
- Unexpired foreign passport, with I-551 stamp or attached Form I-94 indicating unexpired employment authorization
- Unexpired Employment Authorization Document that contains a photograph (Form I-766, I-688, I-688A, I-688B)

##### List B – Two Required

- Drivers license or ID card issued by a state
- ID Card issued by federal, state or local government agencies or entities
- School ID card with a photograph
- Voter's registration card
- U.S. Military card or draft card
- Military Dependent's ID Card
- U.S. Coast Guard Merchant Mariner Card
- Native American Tribal document
- Driver's license issued by a Canadian Government Authority
- U.S. Social Security card issued by the Social Security Administration
- Certification of Birth Abroad issued by the Department of State (Form FS-545 or Form DS-1350)
- Original or certified copy of a birth certificate issued by a state, county, municipal authority or outlying possession of the United States bearing an official seal
- U.S. Citizen ID Card (Form I-197)
- ID Card for use of Resident Citizen in the United States (Form I-179)
- Unexpired employment authorization document issued by DHS (other than those listed under List A)

#### 4.5.6.7 RAPIDGate entry

After activating the RAPIDGate credentials, employees present them to the officer at the entry control point to request entry to NSWC IHD. Participants must wear and display their credential at all times while on the installation. Questions about the RAPIDGate program shall be addressed to [info@rapidgate.com](mailto:info@rapidgate.com) with the subject line RE: RAPIDGate Program.

#### 4.6 Activity Identification Badges and Vehicle Decals

Contractors that require routine access to the installation shall obtain an identification badge and DoD decal for their vehicle in accordance with Naval Support Activity South Potomac installation access control procedures.

Contractor employees shall submit an application for badge requests to the COR by providing their personal information such as Company Name and Address, Name (last name, first name and middle initial), SSN, Date of Birth, Citizenship, Drivers License or State issued ID (State issued, photo ID number and expiration date). Any lost or stolen badges shall immediately be reported to the COR along with the Security Office.

To obtain DoD decals, the employee must present a valid driver's license, current vehicle registration required by the state in which the vehicle is registered and current proof of insurance for the registered vehicle.

#### 4.7 Badge and Vehicle Decal Returns

Notify the Physical Security Office and the COR of all terminations of employees to ensure access levels are removed and all badges issued to the person by the Activity are returned.

#### 4.8 Installation Traffic and Parking Regulations

All contractors at NSASP are subject to federal law, DoD, DoN, Navy Installation Command (CNIC), Navy District Washington (NDW), and NSASP regulations, policies and appropriate supported command instructions. All provisions of Virginia and Maryland vehicle codes apply unless one of the aforementioned regulations or policies is more restrictive.

CONTRACT NO. N00178-04-D-4024	DELIVERY ORDER NO. FG14	AMENDMENT/MODIFICATION NO. 45	PAGE 30 of 57	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

Contractors must comply with NSASP Instruction 5560.1 dated 26 February 2009 for traffic control, parking control and traffic court at the Naval Support Activity, South Potomac installations for Naval Support Facility Indian Head and Stump Neck Annex. This aforementioned instruction is located on the internet website, <http://dahlgrensharks.com/NSASPINST%205560.1%20Installation%20Traffic%20&%20Parking%20Regulations.pdf>. Any violations of the instruction, Navy or DoD regulation or policy, or state or federal laws may result in a wide range of penalties. These may include but are not limited to: criminal charges, civil charges, vehicle towing, vehicle impoundment at owner's expense, and/or other administrative or legal action up to and including removal of vehicle or individuals from the confines of NSASP installations.

Privately owned vehicles that operate on the Activity must comply with state inspection requirements of the state in which the vehicle is registered.

Regardless of status, all vehicles and personnel entering and exiting the Activity shall be subject to searches to ensure the overall readiness of the Activity.

All drivers entering shall possess a valid driver's license, issued by competent authority, on their person when operating a motor vehicle. In addition, all vehicles shall have a current registration, license plates, and proof of insurance.

All personnel onboard the Activity are subject to federal law, DoD, DoN, Navy Installation Command (CNIC), Navy District Washington (NDW), NSASP regulations and State laws, policies and appropriate supported commands instructions in support of the mission.

#### 4.9 Smoking Policy

Smoking is prohibited within and outside of all buildings on the installation activity except in designated areas. Discarding tobacco materials other than into designated tobacco receptacles is considered littering and is subject to fines. Matches or lighters and other spark/flame producing devices are prohibited in the Activity restricted area. Only installed electric lighters shall be allowed in designated smoking areas. A vehicle is not a designated smoking area.

#### 4.10 Hand Held Cellular Devices and Earpieces

All vehicle operators onboard the Activity shall not use cell phones unless the vehicle is safely parked or unless they are using a hands free device. Use of cellular phones, CB radios, walkie-talkies, and other portable radio transmitters is prohibited in the restricted areas beyond NSASP Indian Head Post II and Stump Neck Annex unless approved by the hazards of electromagnetic radiation to ordnance (HERO) program manager.

#### 4.11 Photographic Equipment

Photographic equipment of any kind is prohibited within the restricted area unless a camera permit is approved by their command and issued by the Activity Pass and ID.

### **252.232-7006 WIDE AREA WORKFLOW PAYMENT INSTRUCTIONS (JUN 2012)**

(a) Definitions. As used in this clause--

Department of Defense Activity Address Code (DoDAAC) is a six position code that uniquely identifies a unit, activity, or organization.

Document type means the type of payment request or receiving report available for creation in Wide Area WorkFlow (WAWF).

Local processing office (LPO) is the office responsible for payment certification when payment certification is done external to the entitlement system.

(b) Electronic invoicing. The WAWF system is the method to electronically process vendor payment requests and receiving reports, as authorized by DFARS 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(c) WAWF access. To access WAWF, the Contractor shall--

(1) Have a designated electronic business point of contact in the Central Contractor Registration at <https://www.acquisition.gov>; and

#### **GOVERNMENT-FURNISHED PROPERTY (PERFORMANCE)**

The Government will provide only that property set forth below, notwithstanding any term or condition of this contract to the contrary. Upon Contractor's written request to the cognizant Task Order Manager, via the cognizant Contract Administration Office, the Government will furnish the following for use in the performance of this task order:

#### **TECHNICAL INSTRUCTIONS**

(a) Performance of the work hereunder will be subject to written technical instructions signed by the Ordering Officer specified in Section G of this task order. As used herein, technical instructions are defined to include the following:

(1) Directions to the Contractor which suggest pursuit of certain lines of inquiry, shift work emphasis, fill in details or otherwise serve to accomplish the contractual statement of work.

(2) Guidelines to the Contractor which assist in the interpretation of drawings, specifications or technical portions of work description.

(b) Technical instructions must be within the general scope of work stated in the task order. Technical instructions may not be used to: (1) assign additional work under the task order; (2) direct a change as defined in the "CHANGES" clause of the basic contract; (3) increase or decrease the task order price or estimated task order amount (including fee), as applicable, the level of effort, or the time required for task order performance; or (4) change any of the terms, conditions or specifications of the task order.

(c) If, in the opinion of the Contractor, any technical instruction calls for effort outside the scope of the task order or is inconsistent with this requirement, the Contractor shall notify the Ordering Officer in writing within ten (10) working days after the receipt of any such instruction. The Contractor shall not proceed with the work affected by the technical instruction unless and until the Contractor is notified by the Ordering Officer that the technical instruction is within the scope of this task order.

(d) Nothing in the foregoing paragraph shall be construed to excuse the Contractor from performing that portion of the contractual work statement which is not affected by the disputed technical instruction.

#### **IHD 86 - SECURITY BADGES AND ON-SITE CONTRACTOR PERSONNEL (NAVSEA/IHD) FEB 2000**

Security badges will be issued by the Government only to those contractor personnel who require access to the Indian Head Division, Naval Sea Systems Command in connection with work to be performed under this contract. Approval for such issuance may only be granted by the COTR, Ordering or Contracting Officer. The Contractor shall maintain a register of employees currently authorized access to the Indian Head Division, Naval Sea Systems Command. This does not include badges temporarily authorized for contractor

## SECTION H SPECIAL CONTRACT REQUIREMENTS

### **5252.232-9104 ALLOTMENT OF FUNDS (MAY 1993)**

(a) This contract is incrementally funded with respect to both cost and fee. The amount(s) presently available and allotted to this contract for payment of fee for incrementally funded contract line item number/contract subline item number (CLIN/SLIN), subject to the clause entitled "FIXED FEE" (FAR 52.216-8) or "INCENTIVE FEE" (FAR 52.216-10), as appropriate, is specified below. The amount(s) presently available and allotted to this contract for payment of cost for incrementally funded CLINs/SLINs is set forth below. As provided in the clause of this contract entitled "LIMITATION OF FUNDS" (FAR 52.232-22), the CLINs/SLINs covered thereby, and the period of performance for which it is estimated the allotted amount(s) will cover are as follows:

ITEM(S)	ALLOTED TO COST	ALLOTED TO FEE	ESTIMATED PERIOD OF PERFORMANCE

(b) The parties contemplate that the Government will allot additional amounts to this contract from time to time for the incrementally funded CLINs/SLINs by unilateral contract modification, and any such modification shall state separately the amount(s) allotted for cost, the amount(s) allotted for fee, the CLINs/SLINs covered thereby, and the period of performance which the amount(s) are expected to cover.

(c) CLINs/SLINs 4000 and 6000 are fully funded and performance under these CLINs/SLINs is subject to the clause of this contract entitled "LIMITATION OF COST" (FAR 52.232-20) or "LIMITATION OF COST (FACILITIES)" (FAR 52.232-21), as applicable.

(d) The Contractor shall segregate costs for the performance of incrementally funded CLINs/SLINs from the costs of performance of fully funded CLINs/SLINs.
